PLEASE REMEMBER THAT THERE IS A FIRE BAN STILL IN EFFECT IN THE TOWNSHIP OF THE NORTH SHORE!!

Home Fire Safety Checklist July 2018

How safe is your home from fire? To determine the safety of your home from fire hazards, study these questions with your family. Place a check mark for each rule that applies to your family and work to correct the others.

Matches, Lighters, Candles & Smoking Hazards

- Keep matches & lighters out of children's reach.
- Make sure matches & smoking materials are out before disposing of them.
- Use large, non-combustible ash trays.
- Never leave smoking material unattended.
- Never smoke in bed.
- Extinguish candles when you leave the room or area.
- Place candles on non combustible surfaces or containers.
- Do not leave children unattended in areas with lit candles.

Electrical Hazards

- Have qualified electricians install or extend your home wiring and verify circuit breakers & fuses are properly sized.
- Purchase only Underwriters Laboratories (UL) listed electrical devices and appliances.
- Do not overload extension cords or, better yet, use circuit breaker protected outlet strips.
- Do not place electrical cords under carpeting or run through doors or openings where they could become damaged from pinching or from being walked on.
- Replace frayed or damaged electrical cords.
- When using extension cords, ensure the rated capacity of the cord matches or is greater than the total capacity of all devices plugged into it.

Heating Hazards

- If you use oil or gas heat the equipment should be listed by the proper laboratories.
- Have your heating system inspected and serviced before the heating season begins.
- Wood burning stoves should be properly installed according to manufacturer's instructions.
- Burn seasoned wood and store it safely away from heat sources.
- Ensure all vent connections and flue pipes that pass through attics, floors, ceilings and walls are properly installed.
- Have your chimney cleaned and inspected at least once a year if you regularly use a fireplace or wood burner.
- All portable space heaters in your home should be UL listed.
- Portable space heaters should be placed well away from all combustible materials.
- Refill the fuel tank of kerosene heaters only with the recommended fuel, always outside and only when the heater is cool.
- Kerosene heaters use oxygen, so always provide adequate ventilation in the space that they are being used.
- Turn off all portable space heaters when you go to bed.
- Never use flammable or combustible liquids to start a fire in the fireplace or wood

burning stove.

- Fireplaces should be equipped with a sturdy fire screen.
- Open the flue/damper before starting a fire in your fireplace or wood burning stove.
- Do not leave children unattended near fireplaces and space heaters.

Cooking Hazards

- Never leave anything cooking on the stove top unattended.
- Extinguish a grease fire in a pan by covering it with the lid, a large skillet or cookie sheet.
- Keep the kitchen stove, broiler and oven clean of grease.
- Avoid loose fitting clothing while cooking.
- Turn pot handles in when cooking to avoid the pan being knocked or pulled off the stove.

Housekeeping Hazards

- Store combustibles at least three feet away from all heat sources.
- Keep flammable and combustible liquid containers tightly closed.
- Never use gasoline or other flammable liquids for cleaning clothes, furnishings or floors.
- Clean the dryer lint filter after each load.

Yard and Garage Hazards

- Keep your yard cleaned of leaves, debris and combustible rubbish.
- Store gasoline for power tools in clearly labeled, approved red metal safety cans.
- Store kerosene in approved, clearly labeled, approved blue and white containers.
- Store propane cylinders outside of the house or in a detached garage or structure.

Before A Fire

- Install photoelectric smoke alarms on every level of your home, outside of every sleeping area and one in every bedroom.
- Install carbon monoxide alarms near sleeping areas.
- Mount a minimum sized 1A10BC fire extinguisher in the kitchen near the exit and know how to use it.
- Keep basement and garage doors closed.
- Have and practice an escape plan and know at least two ways out of each room in your home.
- Have a family meeting place in the front yard.
- Consider purchasing chain escape ladders for upper story bedrooms.
- Share your fire safety plan with babysitters and caregivers.

In Case Of Fire

- Crawl low in smoke. Smoke rises and cleaner air is near the floor.
- Feel closed doors before opening them to ensure the fire isn't on the other side.
- Leave immediately. Don't stop for anything and once outside NEVER re-enter.
- Call the fire department (911) from a neighbor's house or cell phone.
- Stop, Drop and Roll to extinguish a fire on your clothes or hair.

RESPECTFULLY SUBMITTED BY THE NORTH SHORE FIRE DEPARTMENT

Clean Up Week August 7 to 10 Municipal Pickups Only

This is to accommodate the disposal of larger items and debris that does not normally qualify for collection during the rest of the year. The refuse should be easily accessible and should not include any hazardous materials.

Refrigerators and freezers have to be tagged to indicate that the Freon (a harmful, global-warming contributing chemical) has been removed or they will not be picked up. In addition, doors and lids to refrigerators and freezers must be removed before they are left outside for collection.

We are unable to remove derelict vehicles or heavy articles. E-waste (electronic waste) and tires are acceptable. The public works employee shall determine the acceptability of the refuse to the landfill site should this become an issue.

Residents should contact the municipal office at 705-849-2213 or 705-461-1821 during regular office hours Monday to Friday (8:30 am - 4:30 pm) to arrange for pick up during that week. Public works will then attend your residence and bring the refuse to the landfill site free of charge.

Mayor and Council would like to thank all its citizens
in an effort to keep the municipality clean.

HAZARDOUS WASTE DAY

On Saturday, July 28, 2018, the Township will be participating in the Hazardous Waste Day being held in Blind River. It will be open to all Township residents. The hours of operation will be
From 10:00 a.m. to 2:00 p.m.

The purpose of the program is to offer area residents an opportunity to safely dispose of Household Hazardous Waste and would include items such as chemicals, paints, used oil, pesticides, batteries, etc.

Municipal Elections 2018 NOMINATIONS

Township of The North Shore

NOTICE is hereby given that prescribed nomination papers are available at the Municipal Clerk's Office, 1385 Highway 17, Algoma Mills, and may be filed with the applicable filing fee, payable in cash, money order or certified cheque, no later than 2:00 P.M. Friday, July 27, 2018 for the following offices:

Mayor – One (1) to Elect
Councillor at Large – One (1) to Elect
Councillors – Three (3) to Elect

DATED at Algoma Mills, Ontario this 12th day of January, 2018

Mary Lynn Duguay, Clerk/Treasurer

voterlookup.ca

The Township of The North Shore residents can find out whether they are on the list to vote for the upcoming municipal and school board elections at voterlookup.ca.

voterlookup.ca is an online service used to collect and confirm information that will be used in the preparation of the final Voters' Lists across Ontario. You can also change your school support for electoral purposes and add names to your property address.

If you do not have access to the internet, please visit your local Municipal Office Cap Site at 1385 Hwy 17, Algoma Mills. If you need support, please call 1-866-296-6722.

2018 MUNICIPAL ELECTIONS PROCEDURES

A copy of the 2018 Municipal Elections Procedures can be viewed at the municipal office in Algoma Mills during normal office hours.
Monday to Friday from 9:00 am to 4:30 pm.

GARBAGE & RECYCLING BIN SITES

THIS AREA IS MONITORED BY VIDEO SURVEILLANCE

Township of The North Shore Council would like to remind residents that all three (3) garbage & recycling bin sites are being monitored by video surveillance and that **NEW Bylaw 15-36**, with set fines, passed Nov. 2, 2015 **will be enforced**.

Garbage bins are for household garbage only. All construction and building materials are to be brought to the Serpent River Landfill Site. No fire place or woodstove ashes.

Recycling will prolong the life of our landfill site. Recycling flyers are available at the municipal office and there is a link on our website for instructions of proper recycling methods.

For more information about the **new bylaw**, contact the municipal office during normal office hours at 705-849-2213 or 705-461-1821
