

MAY 2017

The SHORELINE

TOWNSHIP OF THE NORTH SHORE

Notice of Cancellations

Council's May 17 & 31, 2017 meetings are cancelled

Council's meetings scheduled for Wednesdays, May 17/17 and May 31/17 have been cancelled.

Council meetings begin at 7:00 pm and are held in council chambers at the township office in Algoma Mills.

The public is encouraged to attend council meetings.

For further information, please contact the township office at 461-1821 or 849-2213 during normal office hours.

Mary Lynn Duguay, Clerk Treasurer
May 10, 2017

VICTORIA DAY
The township office
will be closed on
Monday, May 22, 2017

Inside this issue:

Clean Up Week	2
Bear Wise	3
Bin Sites	4
Township Info	5
Blind River Public Library	6
Business Directory	7
Classified Ads	8

CLEAN UP WEEK LANDFILL SITE ONLY

The landfill site will be open on Tuesday, May 23, 2017 to Saturday, May 27, 2017 from 10 am to 4 pm in addition to the regular Sunday hours. Tipping fees will be waived on these dates subject to some restrictions.

Clean up week is an additional opportunity to bring your extra household trash to the site. E-waste (electronic waste) is now accepted at our landfill site.

No hazardous waste, cars or car parts, car engines or batteries, etc. will be accepted. Consult with the landfill site attendant for further clarification.

There are no longer tipping fees on rimless tires. Rimmed tires will be accepted.

If you have any questions, please contact the municipal office.

Township of The North Shore History by Janice Gamble

A copy of the Township of The North Shore History done by township resident Janice Gamble is now available for purchase at the Municipal Office. If you would like a copy, just come in to, or call the Municipal Office.

The fees for residents and non-residents is as follows:

Residents

Paper Copy (Binded)	\$70.00
USB Flash Drive (Provided)	\$10.00

Non-residents

Paper Copy (Binded)	\$80.00
USB Flash Drive (Provided)	\$15.00

BEAR WISE

Black bears live throughout most of Ontario. They primarily inhabit forested areas where they are best able to find food, refuge and den sites. Their entire life revolves around food. The availability of their natural food varies from season to season and from year to year. When natural food sources are poor, black bears will travel long distances to seek out alternative sources of food.

Bears usually avoid humans. But they are attracted into urban and rural areas to get food. You can prevent conflicts with bears by following these steps:

- Put garbage out only on the morning of garbage day, not the night before,
- Put garbage in containers that have tight-fitting lids and store it in a bear-proof location such as your basement or a sturdy garage,
- Spray garbage cans and lids with bleach or another strong disinfectant,
- Take garbage to the dump often, if you do not have curb side pick-up.
- Fill bird feeders only through the winter months,
- Put away feeders in the spring and instead, offer birds natural alternatives (e.g. flowers, nesting boxes, fresh water)
- Do not leave pet food outdoors, in screened-in areas or porches
- Pick all ripe and fallen fruit from trees and shrubs on your property,
- Plant non-fruit bearing trees and shrubs
- Burn off food residue and wash the grill right away,
- Empty the grease trap every time you barbecue,
- Remove all utensils, dishes and food after eating.

Non-emergencies

Call the Bear Wise reporting line at 1-866-514-2327 (April 1 - November 30) if a bear is:

- Roaming around, checking garbage cans,
- Breaking into a shed where garbage or food is stored,
- In a tree,
- Pulling down a bird feeder or knocking over a barbecue,
- Moving through a backyard or field but is not lingering.

Emergencies

Call 911 or your local police, if you feel a bear poses an immediate threat to personal safety and:

- Enters a school yard when school is in session,
- Enters or tries to enter a residence,
- Wanders into a public gathering,
- Kills livestock/pets and lingers at the site,
- Stalks people and lingers at the site.

GARBAGE & RECYCLING BIN SITES

**THIS AREA IS MONITORED BY
VIDEO SURVEILLANCE**

Township of The North Shore Council would like to remind residents that all three (3) garbage & recycling bin sites are being monitored by video surveillance and that **NEW Bylaw 15-36**, with set fines, passed Nov. 2, 2015 **will be enforced**.

Garbage bins are for household garbage only. All construction and building materials are to be brought to the Serpent River Landfill Site. No fire place or woodstove ashes.

Recycling will prolong the life of our landfill site. Recycling flyers are available at the municipal office and there is a link on our website for instructions of proper recycling methods.

For more information about the new bylaw, contact the municipal office during normal office hours at 705-849-2213 or 705-461-1821

Wildland Fire Safety

Every year, wildfires burn across the U.S. and Canada, and more and more people are living where wildfires are a real risk. But by working together, residents can make their own property — and their neighborhood — much safer from wildfire.

Action steps for around your home:

- **CLEAR** leaves and other vegetative debris from roofs, gutters, porches and decks. This helps prevent embers from igniting your home.
- **REMOVE** dead vegetation and other items from under your deck or porch, and within 10 feet of the house.
- **SCREEN** in areas below patios and decks with wire mesh to prevent debris and combustible materials from accumulating.
- **REMOVE** flammable materials (wood piles, propane tanks) within 30 feet of your home's foundation and outbuildings, including garages and sheds. If it can catch fire, don't let it touch your house, deck or porch.
- Wildfire can spread to tree tops. **PRUNE** trees so the lowest branches are 6 to 10 feet from the ground.
- **KEEP** your lawn hydrated and maintained. If it is brown, cut it down to reduce fire intensity. Dry grass and shrubs are fuel for wildfire.
- Don't let debris and lawn cuttings linger. **DISPOSE** of these items quickly to reduce fuel for fire.
- **INSPECT** shingles or roof tiles. Replace or repair the shingles that are loose or missing to prevent ember penetration.
- **COVER** exterior attic vents with metal wire mesh no larger than 1/8 inch to prevent sparks from entering the home.
- **ENCLOSE** eaves and screen soffit vents using 1/8 mesh metal screening to prevent ember entry.

AND DON'T FORGET...

The more actions a community takes, the more fire adapted it becomes. Learn how you can make a difference in your community. Visit www.fireadapted.org and www.firewise.org for more information.

The North Shore Fire Department reminds residents that an open-air burning permit is required for all fires.

Please contact the Municipal Office for more information.
